## High School Science – FORENSIC SCIENCE

**Forensic Science** – (Recommended for 10<sup>th</sup> - 12<sup>th</sup> grade students)

**Monday - 12:00 - 1:30**

**Tuition: \$450**

**Lab Fee: \$50**

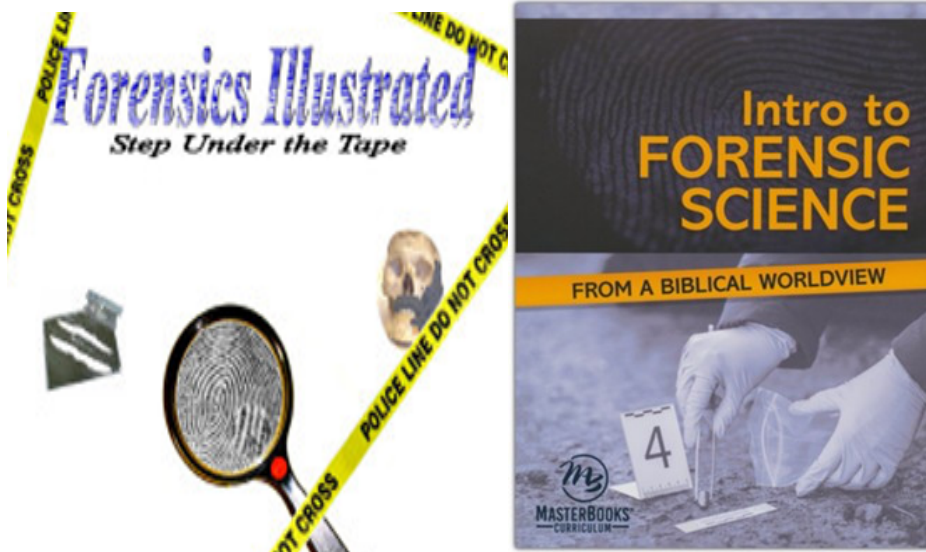

Forensic science is great class choice for upper-level high school students looking for an additional science credit with lab or elective credit. There are two curriculums used with this class. The free online text covers crime scenes, physical evidence, glass and soil analysis, fingerprints, hair and fiber analysis, firearms, ballistics, ammunition, drugs and paraphernalia, chemical analysis, bodies and autopsies, and DNA and typing. The Master Books Intro to Forensic Science text will additionally cover several other forensic topics not covered in the free text including anthropology, arson, odontology, blood typing and more. The students will be challenged in researching and presenting on such topics as careers in forensic science, cold cases,

and serial killers. Students will work as a forensic team to create their own mock crime scene. **This class will cover (1) science credit with lab or (1) elective credit.**

Optional field trips may be offered at an additional cost depending on the activity.

**Required material:**

- Forensics Illustrated text – FREE on bsapp.com – This text can be read online or printed.
- Master Books Intro to Forensic Science Student Book
- **(2) RED 2-pocket folders**
